Explanation of CREDIT LINE'S AVERAGE DAILY BALANCE

We figure the FINANCE CHARGE on your account by applying the periodic rate to the "AVERAGE DAILY BALANCE", including current transactions. To get the "AVERAGE DAILY BALANCE" we take the beginning balance of your account each day and add any new advances and subtract any payments, credits and unpaid finance charges. This gives us the daily balance. Then, we add up all the daily balances of the billing cycle divide the total by the number of days in the billing cycle. This gives us "THE AVERAGE DAILY BALANCE".

WARNING: If a moving company loses or damages your goods, there are 2 different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. This form may also contain an estimate of the cost of a move in which the moving company is liable for **FAR LESS** than the replacement value of your goods, typically at a lower cost to you. You will select the liability level later, on the bill of lading (contract) for your move. Before selecting a liability level, please read ["Your Rights and Responsibilities When You Move"](#) booklet, ["Ready to Move?"](#) brochure provided by the moving company, and seek further information at the government website [Protect Your Move](#).

Special Promotion: We have partnered with an industry leading Insurance Company to **save you up to 30%** on the cost of your moving insurance. You can purchase the additional level of liability directly through us based on the premium at the table above, or you can buy insurance in a few easy steps directly from an insurance company. Please keep in mind that the amount of liability in the table above is for illustration purposes and can be adjusted and chosen by you. Please visit [www.movinginsurance.com](#) and choose our company's name to receive up to 30% discount when purchasing the insurance. One of the added benefits to buying it directly from them is that in the event of a loss, or damages to your goods, your claim will be handled by an objective insurance company, and not directly through the movers.

Please check the table above for additional levels of coverage.

As a PRO MOVER member of ATA - American Trucking Association - we offer, for a fee, FULL VALUATION PROTECTION (FVP) with deductibles starting at \$250.00

It is agreed that the customer provided *Puma Van Lines* with an accurate description of the items to be moved and the services to be performed. This estimate is binding based on a list of items with a minimum volume reservation. If any additional items, packing services, labor services, space (or excessive weight) are added at the origin or destination location, a new estimate which reflects the added items or services will be presented to the customer. If the volume will have to be quoted lower, the rate will be adjusted to reflect "Minimum volume reservation". *Puma Van Lines* will not be able to ship additional items or perform additional services without charging for those services. All items and services must be fully noted on the Bill Of Lading prior to loading and shipping. This is a Binding contract that is being executed based on an on-site survey, volume or based on a list of items by which the customer is agreeing to waive their right for an on-site survey. Any Notes in the section above, "Extra Stop / Notes", will govern any of our terms and conditions under this section "Understanding Your Estimate".

Pickup Schedule

Our truck and crew will contact you 24-48 hours prior to your pick-up date via telephone to confirm that they are on their way. *Puma Van Lines* reserves the right to reschedule the pick-up date or time due to unforeseen circumstances.

Delivery schedule:

Guaranteed service on or between agreed dates is an optional service that is available to you at an additional cost and must be in writing. This optional extra service guarantees that your shipment will be picked up, transported to the destination, and delivered on specific guaranteed dates. Absent selecting and paying for the optional extra service guaranteeing specific pick-up and delivery dates, the mover is only required to pick up and deliver your property with reasonable dispatch and in a reasonable time as this is a consolidated move. General **estimated** delivery is 1-14 business days from the **first available date for delivery** for your shipment to arrive. Any oral promises made regarding delivery or pick up dates and times are mere estimates. We guarantee delivery to take place within 30 business days of the date first available for delivery. **NOTICES OF FIRST AVAILABLE DELIVERY DATES ARE REQUIRED TO BE MADE IN WRITING.** Any changes to your order will extend this time. This time frame may change based on the time of year, weather conditions, road conditions, acts of God, delivery schedule, geographic location of the move, and other unknown factors. *Puma Van Lines* will do its best to meet any requested pick-up or delivery dates. If moving less than 300 miles, next-day delivery is guaranteed if it was requested, approved by dispatch, and specified on the bill of lading.

General Delivery Schedule:

0-1500 miles -- 1-14 business days.

1501-3300 miles -- 1-21 business days.

*Delivery schedule begins from the first date you will be ready to accept your shipment.

Shuttle Service Fee: On interstate moves, an 18-wheeler will be used to deliver the property. If your pick up or destination address does not have access to an 18-wheeler the shipper will be required to pay for shuttle service. Shuttle service is used if the assigned over-the-road van is unable to make a normal pickup or delivery because of physical constraints (extremely narrow road, inadequate parking area for the truck, weak bridge, low bridge, power lines, etc.). A shuttle service is the use of a secondary, smaller vehicle to complete the pickup or delivery. Charges for this service are based on the weight or space of the shipment and the location where the service is performed. For the smallest load, the minimum service will cost \$400 and a maximum of \$2500 for a full 18-wheeler.

Storage Charges-

Puma Van Lines offers 30 days of free storage in the origin state. Storage is **not prorated**. Once the goods have been shipped, storage charges will apply at the destination if the customer cannot accept delivery. Payment is due monthly unless it has been prearranged to pay only at delivery. The credit card on file will be mandatory if shipments are being stored for over 30 days or if your first available date for delivery is over 30 days from the pickup date. Unless arrangements were made for a different method of payment for storage, by signing the moving documents, you are authorizing *Puma Van Lines* to charge your credit card on a monthly basis for storage services based on the ratio of forty cents per cubic feet stored.

Redelivery Fee - Full re-handling fees are applied when the carrier must make a second attempt to deliver the property if for any reason the shipper did not accept delivery on the first attempt. Storage charges will be incurred after the first attempt at delivery has been declined. If a change of destination will be required, *Puma Van Lines* will adjust the rate based on current seasonal rates, regional pricing, and other factors that will be relevant. A change of destination will not serve as a reason to breach the moving contract.

Refund and Cancellation Policy - We allow you to reschedule your job without penalties or fees. You may cancel your order for shipment with no penalty by providing notice to us **at least 72 hours prior to your scheduled pickup date**. The notice must be given in writing via fax, electronic mail, or postal mail. **A cancellation notice is not accepted by telephone**. You must provide your order number, full name, telephone number, the scheduled date of pickup, and origin and destination addresses. You may fax this information to **(214)699-4420**, send via electronic mail to **qualityservice@pumavanlines.com**, or send via postal mail to 4838 Woodall St. Dallas TX 75247.

Your estimated price is based on the inventory provided by you. In the event your inventory for shipment has changed, *Puma Van Lines* will provide you with a revised new estimate to reflect your changes. In the event you decide that you do not agree with the newly revised estimate to reflect your adjusted inventory list, you agree to pay 10% cancellation fee to *Puma Van Lines*.

If the goods are at or in *Puma Van Lines*' property, and for any reason, the goods need to be delivered back to the origin location or any other location within the same state, an adjusted total price will be provided by the mover, taking into consideration all the expenses and resources provided at all stages of the move, subject to a minimum of 60% of the total cost.

Credit Card Charges and Disputes:

You agree to have the credit card on file provided by you to be charged for services and material rendered for your relocation cost. If a dispute occurs about your charges or any damages that may have occurred during the process of your shipment, please DO NOT CONTACT YOUR CREDIT CARD COMPANY and dispute the amount charged to your credit card, as this will only delay any refunds, insurance claims, or discounts that are owed to you. Please allow 7-15 business days for proper credit to appear on your account.

Claims:

Unless otherwise specified, claims for damages will be valued at \$0.60 per pound. Some exclusions apply. This does not apply to Full Valuation Protection or third-party insurance claims. *Puma Van Lines* will limit its liability for loss or damage to articles that have an extraordinary value unless you specifically provide us with a list of these articles. An article of extraordinary value is any item whose value exceeds \$100 per pound. Full-value protection allows the moving company two options if any articles are lost, destroyed, or damaged during the move. The moving company, not the consumer, decides how amends will be made for the property. The moving company can either have the item repaired so it is in the same condition as it was before being damaged or they can replace the item

with another of like-kind. Basically, if your two-year-old washing machine is smashed, the moving company will not replace it with a new one. You will likely be given the fair market value of a two-year-old washing machine.

Should you need to file a claim, you have up to nine months from delivery to file a claim. Please contact [1-877-476-5983](tel:18774765983) in order to begin the claims process. Mover is not liable for particle board/pressed wood or fragile items that are not packed adequately. Mover is not liable for damage to property, only that of household goods. Appliances disconnect and reconnect is not a professional service provided by the moving company and should be handled by a trained professional.

Puma Van Lines, at no time ever, are permitted to disassemble or reassemble any major appliances, to including, but not limited to, washers and dryers, freezers and refrigerators, dishwashers, stoves and ovens, microwaves, to name a few. That is only reserved for a professional licensed plumber and electrician. Please be ware that at no circumstances, the shipper is allowed to go on the truck.

By reserving your relocation services with *Puma Van Lines*, You Hereby Agree To Abide By The Rules And Regulations Stated In Our Terms And Conditions Listed In Our Tariff.

Summary of dispute settlement program:

As a household goods motor carrier licensed by the US Department of Transportation, Puma Van Lines LLC will attempt to resolve disputes that might arise between a shipper and a carrier. Section 49 U.S.C. Section 375.211 provides that a mover must have a program in place to provide shippers with an arbitration alternative. Arbitration is optional and not required under Federal law.

A. Summary of the arbitration process: Arbitration is an alternative to courtroom litigation. It provides each party to the dispute an opportunity to present their case and allows a neutral third-party arbitrator to make a decision as to the merits of each side case.

B. Applicable costs: Each party is responsible for it's own costs associated with the arbitration. A benefit to the arbitration alternative may be that it is less expensive than traditional litigation. Each party is responsible for 50% of the costs associated with securing the arbitrator and 100% of their own expenses, including but not limited to attorney fees.

C. Legal effects: If the arbitration alternative is chosen, then any decision made by the arbitrator may be binding. Additionally, an arbitration decision may not be appealed in a court of law. Please contact us directly at [1-866-730-8631](tel:18667308631) if you wish to participate in or get more information about the arbitration program.

Any lawsuit filed against Puma Van Lines LLC must be filed in Dallas, Texas, and is limited to the amount of the Administrative Fee. Shipper agrees to relinquish any rights to jurisdiction in any other County or State other than Dallas, Texas.
